

ANNUAL PEDAGOGICAL PLANNER 2020-21

ENGLISH

CLASS – IV

MONT H	TOPIC	METHODOLOGY/ACTIVITIES	LEARNING OUTCOMES	WORKING DAYS
July	<p><u>TREASURE CHEST</u> Lesson-1 Veggy Lion Lesson-3 Mr. Nobody Lesson-4 My Tiny Friends</p> <p><u>GRAMMAR</u> Lesson-1 Nouns: Revision Lesson-2 Common, Proper and Abstract Nouns Lesson-3 Collective Nouns Lesson-4 Countable and Uncountable Nouns Lesson-5 Nouns: Gender</p> <p><u>WRITING SKILLS</u> Formal Letter Writing Essay writing Story writing</p>	<ul style="list-style-type: none"> • Listen and say the words aloud • Model reading • Work in pairs and form questions from the chapter, which the students will ask each other • Exercises using picture clues • List various kinds of nouns and write a paragraph using those. 	<ul style="list-style-type: none"> • Sounds and eating habits of different animals • Different sounds of 'g' • Concept and use of 'Similes' • Formation of new words from the words given • Pronunciation of words ending with 'man' and 'men' • One word for a group of words • Forming adjectives from verbs and nouns • Learn to write picture composition • To inform them about the various types of nouns • Enhancing the writing skills. 	27
August	<p><u>TREASURE CHEST</u> Lesson-9 Best Friends Lesson-6 How Beautiful Is The Rain Lesson-10 From The Railway Carriage Lesson-5 Mother Gets A Pouch Lesson-16 Around The World</p> <p><u>GRAMMAR</u> Lesson-6 Nouns: Possession Lesson-7 Subject and Predicate Lesson-21 Kinds of Sentences Lesson-12 Verbs</p>	<ul style="list-style-type: none"> • Listen and say the words aloud • Model reading • Activity- Drawing a funny picture and writing a short paragraph on it • Exercises using picture clues • Riddles and Games • Worksheets to enhance the knowledge • Identification of tenses • Complete the sentences using correct forms of verbs • Activity- Collecting pictures of the Seven Wonders and stating five facts about each 	<ul style="list-style-type: none"> • Importance of friendship and how to be a true friend • To enable them to comprehend the chapter • Words starting with 'sw' • Pairs of words with different meaning • Beauty of the Monsoon season • Rhyming Words • Concept and use of 'Similes' • Words that show movement and describe sound. • Listening to and reading the poem in rhythm • How did a female Kangaroo get a pouch 	20

	Lesson-13 Simple Present and Present Continuous Tense <u>WRITING SKILLS</u> Formal Letter Writing Paragraph writing Unseen Poem		<ul style="list-style-type: none"> • Synonyms; antonyms and animal young ones • Seven Wonders of the World • Using the prefix 'im' to make opposites • Concept of Possession. • Concept of Helping Verbs and Main Verbs • Correct use of tenses by linking them with the real-life incidents • Identification of different sentences. • To enable them to form different types of sentences. • To start with capital letter and end with full stop • Division of a sentence into Subject and Predicate • Enhancing the writing skills. 	
Revision For Periodic Tests				
September	<u>TREASURE CHEST</u> Lesson-18 The Pigtail <u>GRAMMAR</u> Lesson-14 Simple Past and Past Continuous Tense Lesson-15 Simple Future Tense <u>WRITING SKILLS</u> Formal Letter Writing Paragraph writing Unseen Passages/Poems Essay Writing	<ul style="list-style-type: none"> • Listen and say the words aloud • Model reading • Exercises using picture clues • Riddles and Games • Worksheets to enhance the knowledge • Identification of tenses • Complete the sentences using correct forms of verbs 	<ul style="list-style-type: none"> • To make them aware of new words, their meanings and usage • To enable them to comprehend the chapter • To learn how to use dictionary • To recite the poem with intonation and expressions • Identify rhyming words • Compound Words • Making sentences with phrases • Correct use of tenses by linking them with the real-life incidents • Enhancing the writing skills. 	26
Revision for Mid-Term Exam				
October	Revision for Mid-Term Exam and Mid-Term Exam			22

<p>Novem ber</p>	<p><u>TREASURE CHEST</u> Lesson-12 The Brook Lesson-2 A Good King</p>	<ul style="list-style-type: none"> • Model Reading • Comprehend the story • Slogan writing : To encourage the voters to vote for you as the Class Monitor. 	<ul style="list-style-type: none"> • Journey of The Brook • Recite poem with intonation and actions. • Learn to identify the rhyming words in the poem. • Learn meanings of some words • To enable them to comprehend the chapter • Importance of being loyal • Sounds of 'water' • Use of Adjectives • Word-making and making sentences with phrases • Enhancing the writing skills. 	<p style="text-align: center;">19</p>
<p>Decem ber</p>	<p><u>TREASURE CHEST</u> Lesson-13 Aladdin and the Magic Lamp Lesson-15 I Am Blessed Lesson-21 Kind Deeds Lesson-19 Trees, Forests and Animals</p> <p><u>GRAMMAR</u> Lesson-8 Adjectives Lesson-9 Degrees of Comparison Lesson-10 Pronouns Lesson-11 Articles Lesson-24 Synonyms and Antonyms</p> <p><u>WRITING SKILLS</u> Informal Letter Writing Paragraph writing Unseen Passages Essay Writing</p>	<ul style="list-style-type: none"> • Model Reading • Listen and say the words aloud • Comprehend the story • Activity- Writing a Thank You note. • Activity-Make a list of animals new to your knowledge and state two facts about each • Look up some adjectives in dictionary and write their synonyms & antonyms • Identify adjectives and classify them • Identify and use synonyms and antonyms correctly • Identify the correct use of articles through various exercises 	<ul style="list-style-type: none"> • Consequences of being greedy • Forming new words • Importance of being thankful • Learn meanings of some new words • Practicing one's share of kind deeds. • Making new words and identifying odd words. • Revise vocabulary related to the chapter • Correction of spellings • Making sentences with phrases • To learn about synonyms and antonyms • To learn about the various types of pronouns • To learn about the articles • Enhancing the writing skills. 	<p style="text-align: center;">22</p>

<p>January</p>	<p><u>TREASURE CHEST</u> Lesson-17 It's the thought that counts Lesson-22 Androcles and the Lion Lesson-20 The Magic Bowl</p> <p><u>GRAMMAR</u> Lesson-16 Can, may Should and Must Lesson-17 Agreement of Subject and Verb Lesson-18 Adverb Lesson-19 Conjunctions Lesson-20 Prepositions</p> <p><u>WRITING SKILLS</u> Formal Letter Writing Paragraph writing Unseen Passages Essay Writing Story writing</p>	<ul style="list-style-type: none"> • Listen and say the words aloud • Model reading • Activity – Make a list of people who you want to do something for and what do you want to do for them • Activity – Draw a picture and write a story about it • Exercises using picture clues • Riddles and Games • Worksheets to enhance the knowledge 	<ul style="list-style-type: none"> • Importance of being kind and considerate • Use of adjectives and jumbled words • Friendship • Use of 'un' words • Making sentences with groups of words • Using adjectives to describe people • Use of prepositions and conjunctions in sentences • Formation of correct sentences with verbs complementing the subjects. • Enhancing the writing skills. 	<p style="text-align: center;">21</p>
<p style="text-align: center;">• Revision for Periodic Test 2</p>				
<p>February</p>	<p><u>GRAMMAR</u> Lesson-22 Interjections Lesson-23 Punctuations Lesson-25 Words: A Mixed Bag</p> <p><u>WRITING SKILLS</u> Formal Letter Writing Paragraph writing Unseen Passages Essay Writing Story writing</p>	<ul style="list-style-type: none"> • Exercises using picture clues • Riddles and Games • Worksheets to enhance the knowledge 	<ul style="list-style-type: none"> • Use of Interjections in sentences • Use of Punctuations in sentences • Concept of Homophones • Changing words from one parts of speech to another • Enhancing the writing skills. 	<p style="text-align: center;">23</p>
<p style="text-align: center;">Revision for Final Term</p>				

MATHEMATICS

MONTH	TOPIC	METHODOLOGY/ACTIVITIES	LEARNING OUTCOMES	WORKING DAYS
July	Large Numbers	<ul style="list-style-type: none"> Representation of large numbers using place value charts. Write your friend's date of birth in Roman Numerals. 	<ul style="list-style-type: none"> To form smallest and largest 6-digit to 8-digit numbers. To represent the numbers in Indian and International system. 	27
August	<ul style="list-style-type: none"> Addition & Subtraction Perimeter & Area Division & Unitary Method 	<ul style="list-style-type: none"> Magic triangles and magic squares to get the sum. Solve the Secret Trial to get the result using subtraction. Mental math to sharpen the skills. Introduction of perimeter by this video. https://www.youtube.com/watch?v=6mopAgqjkVM Activity to understand the concept of perimeter. Division by Sharing & Grouping of the objects by Activity. Relationship between Multiplication & Division. https://youtu.be/tER-YslAY-8 Revision For Periodic Test 	<ul style="list-style-type: none"> To apply the operations to daily life situations. To add and subtract multiples of 10 and 100 and 1000mentally. To reinforce the concept of perimeter of different figures. Understand concept of perimeter and area To solve multi digit division problems. 	20

September	<p>Factors & Multiples</p> <p>Decimal System</p>	<ul style="list-style-type: none"> • How factors & multiples related with each other? https://www.youtube.com/watch?v=rUrLuTMq-SW • Rainbow Method to write the factors in ascending order. • Representation of numbers in place value chart. • https://www.youtube.com/watch?v=b3Y8pNsZduA 	<ul style="list-style-type: none"> • To understand the concept of factors and multiples. • To find prime factors by factor tree method. • To understand prime & composite numbers. • HCF & LCM. • Addition & Subtraction of decimal numbers • Understand, compare, arrange the like and unlike decimal 	26
October	Revision + Mid Term Examination			22
November	<p>Metric measures</p> <p>Time</p>	<ul style="list-style-type: none"> • King Harry Drinks Usually Activity for conversion. • Convert the records (metric measures of length) of athletes in different events like high jump, shot put, hammer throw etc. into lower units. • Children can also be asked to make the longest jump possible and measure it in metre and 6centimeter compared with their sibling's jump. • The child will enjoy doing activities to see all the things, they can do in one minute. So, the parent may give them challenges which they have to complete in any particular time. Observing activities at home will give her/him a sense of time. For example, for how much time one can keep standing on one leg? etc. • For calculating the time interval, make a table and write your favourite activity like- At what time did the cartoon start? At what time the cartoon ends? What is the time duration that you watch cartoons? 	<ul style="list-style-type: none"> • To relate higher units of measurement with the smaller units of measurements. • To determine the sums and differences of measurement of length, weight and capacity. • To express the time using am and pm. • Conversion into 12 hour and 24 hour clock • Finding the duration and time 	19

December	<p>Symmetry & Patterns</p> <p>Fractions</p>	<ul style="list-style-type: none"> • Draw different tessellations based on different shapes. • Observe the patterns in numbers or nature. • Types of fractions and conversion of mixed fraction to improper fraction using the formula. • https://www.youtube.com/watch?v=E0uhlTnq8WQ&feature=youtu.be • Colour the fractions according to the given instructions. 	<ul style="list-style-type: none"> • To identify geometrical patterns as well as numerical patterns. • To recognize the types of fractions • To express and convert fractions. 	22
January	<p>Geometry</p> <p>Money</p>	<ul style="list-style-type: none"> • Types of angle by Paper Folding Activity. • Construction of circle https://www.youtube.com/watch?v=6XdGmE1mVSE • Day to day life examples to understand the concept of money spent. • Relate your daily transactions of money with four fundamental operations. 	<ul style="list-style-type: none"> • Recognition of different types of angles • Recognition of circle and its parts • Construction of circle by given radius • To convert Rupees to paise and vice versa. • Different operations performed to calculate the amount. 	21

February	Multiplication	BINGO game to find the multiplication facts from grid for dodging tables. Make a monthly bill of grocery expenditure of your family and observe Mathematical operations, for example if you have cost of 1 kg sugar and you must find the cost of 3 kgs sugar then which operation to be applied.	<ul style="list-style-type: none"> • To recall multiplication facts and multiply larger numbers. • To collect data and its representation through bar graph system. • To get information from data represented on bar graph 	23
	Handling Data	<ul style="list-style-type: none"> • Sports activity or Favorite Food liked by classmates to show the representation by pictograph & bar graph. <p style="text-align: center;">REVISIONS FOR FINAL EXAM</p>		
March	REVISION + FINAL EXAMS			23

ENVIRONMENTAL STUDIES

MONTH	TOPIC	METHODOLOGY/ACTIVITIES	LEARNING OUTCOMES	WORKING DAYS
<p style="text-align: center;">JULY</p>	<p>Vital Parts of our body</p>	<ul style="list-style-type: none"> • Make a cut out of brain, kidney, lungs, stomach, liver, heart and stick it on notebook. • Find out – what will happen if someone suffers from amnesia or memory loss? 	<ul style="list-style-type: none"> • To understand structure and functions of various internal vital organ. 	<p>27</p>
	<p>Safety and Health</p>	<ul style="list-style-type: none"> • Role play on safety and health. • Find out safety measures taken nearby school, hospital and swimming pool. 	<ul style="list-style-type: none"> • Understanding importance of health and safety along each. • Learning various ways to keep us healthy. 	
	<p>Our community</p>	<ul style="list-style-type: none"> • Make a list of NGOs which work for welfare of women, men, children and elderly people. • Explore ways to help unfortunate people in your own way. 	<ul style="list-style-type: none"> • Awareness about less developed section of society • To learn different ways to empower less developed section of society.
